STATEMENT OF OBJECTS AND REASONS

The Warehousing Corporations Act, 1962 was enacted to provide for the incorporation and regulation of corporations for the purpose of warehousing of agricultural produce and certain other commodities as may be notified by the Central Government and for matters connected therewith. The Central Warehousing Corporation established under the said Act is a profit earning Public Sector Enterprise under the administrative control of the Department of Food and Public Distribution and a Mini-Ratna Public Sector Enterprise as declared by the Department of Public Enterprises. One of the essential criteria for award of Mini-Ratna status to a Central Public Sector Enterprise is that no financial support or contingent liability on the part of the Government should be involved in respect of that enterprise and that it should also not depend upon any budgetary support or Government guarantee.

2. The Central Warehousing Corporation has consistently paid dividend to the Government of India since 1957-58. The net worth of the Corporation has been positive from 2003 onwards. The Corporation has not taken any loan from the Central Government. It is also not dependent upon budgetary support of the Government. Moreover, the Government has so far given no other guarantee to the Corporation except for the payment of minimum guaranteed dividend as required under sub-section (1) of section 5 of the Warehousing Corporations Act, 1962. Hence, section 5 of the said Act is proposed to be suitably amended with consequential amendments in sections 27, 30, 31 and 39 thereof. The guarantee referred to in the said sub-section (1) of section 5 would be withdrawn and the Central Government would be absolved of its responsibility of being guarantor.

3. The Bill seeks to achieve the above objects.

NEW DELHI;
The 17th February, 2015.

RAM VILAS PASWAN

PRESIDENT'S RECOMMENDATION UNDER ARTICLES 117 AND 274 OF THE CONSTITUTION OF INDIA

[Copy of letter No. 6-20/2014/SG/463 dated 17 February, 2015 from Shri Ram Vilas Paswan, Minister for Consumer Affairs, Food and Public Distribution to the Secretary-General, Lok Sabha]

The President, having been informed of the subject matter of the proposed Warehousing Corporations (Amendment) Bill, 2015 recommends the introduction of the Bill in the House under articles 117(1) and 274(i) of the Constitution.

FINANCIAL MEMORANDUM

Clause 2 of the Bill seeks to substitute a new section for section 5 of the Warehousing Corporations Act, 1962 so as to do away with the existing provision relating to the shares of the Central Warehousing Corporation being guaranteed by the Central Government as to the repayment of the principal and the payment of annual dividend. The new section does not envisage any expenditure from the Consolidated Fund of India, either recurring or non-recurring. The consequential amendment to section 27 of the Act seeks to remove guarantee provided by the Central Government to the bonds and debentures of the Central Warehousing Corporation. The consequential amendment to the section 39 of the Act seeks to remove certain exemptions under the Income-tax Act available to the Warehousing Corporations. Hence, the Bill does not involve any financial implication.
