(11) “year” means the financial year.

3. Levy of Tax.— There shall be levied and collected on all barges used or kept for use in the Union territory, a tax at the rates fixed by the Government, by notification in the Official Gazette, but not exceeding the maximum rates specified in the Schedule to this Act.
4. **Declaration and payment of tax.**— (1) Every registered owner or person having possession or control of a barge in the Union territory shall fill up and sign a declaration in the prescribed form stating the prescribed particulars and shall deliver the same to the Taxation Authority within the prescribed time.

   (2) The tax to which a registered owner or person having possession or control of a barge appears by such declaration to be liable under section 3 shall be paid by him,—

   (2) No barge liable to tax under this Act shall be used or kept for use in the Union territory unless the registered owner or the person having possession or control of such barge has obtained a tax licence under sub-section (1) in respect of that period.

6. **Additional declaration.**— (1) When a barge used or kept for use in the Union territory is altered in such manner as to render the registered owner or the person who has possession or control of such barge liable to the payment of additional tax under section 7, such owner or person shall fill up, sign and deliver in the manner provided in sub-section (2), an additional declaration and shall, along with such additional declaration accompanied by the tax token and the tax licence in respect of such period pay to the Taxation Authority an additional tax payable, under that section which he appears by such additional declaration to be liable to pay in respect of such barge.

7. Payment of additional tax.— Where any barge in respect of which a tax for any period is payable or has been paid, is altered during such period as a result of which the capacity of the barge is increased in such a manner as to cause the barge to become a barge in respect of which a higher rate of tax is payable, the registered owner or the person who has possession or control of such barge, shall, in addition to the tax, if any, due from him for that period, be liable to pay for the unexpired portion of such period since the barge is altered an additional tax of sum equal to the difference between the amount of tax payable for such unexpired portion at the higher rate and the rate at which the tax was payable or paid before the alteration for that portion; and until such additional tax has been paid, the Taxation Authority shall not grant a fresh tax token in respect of the barge so altered.

Explanation.— In calculating the unexpired portion under this section any broken period in a month shall be considered as a full month.

8. Liability to pay arrears of tax of person succeeding to the ownership, possession or control of barges. — (1) If the tax leviable in respect of any barge remains unpaid by any person liable for the payment thereof and such person before having paid the tax has transferred the ownership of such barge or has ceased to be in possession or control of such barge, the person to whom the ownership of the barge has been transferred or the person who has possession or control of such barge shall be liable to pay the said tax to the Taxation Authority.

(2) Nothing contained in this section shall be deemed to affect the liability of the person who has transferred the ownership or has ceased to be in possession or control of such barge to pay the said tax.

9. Refund of Tax. — Where a tax on any barge has been paid for any period and it is proved to the satisfaction of the Taxation Authority that the barge has not been used during the whole of that period or a continuous part thereof not being less than six continuous months, a refund shall be made of such portion of the tax and subject to such conditions as may be prescribed.

10. Exemptions. — Where the Government is of opinion that it is necessary or expedient in the public interest so to do it may, by notification in the Official Gazette, and subject to such conditions as may be specified in the notification, exempt either totally or partially any class of barges from the payment of the tax.

11. Penalty payable when tax not paid. — When any registered owner or any person who has possession or control of any barge used or kept for use in the Union territory is in default in making the payment of tax, the Taxation Authority may, by order, direct that in addition to the amount of arrears a sum not exceeding twice the quarterly tax in respect of such barge shall be recovered from him by way of penalty:
Provided that before giving such direction, the registered owner or such person shall be given a reasonable opportunity of being heard.

12. Arrears of tax and penalty recoverable as arrears of land revenue.— (1) Any tax due and not paid as provided for by or under this Act and any sum directed to be recovered by way of penalty under section 11 shall be recoverable in the same manner as an arrear of land revenue.

(2) The barge in respect of which the tax is due or in respect of which any sum has been directed to be recovered as penalty under section 11 or its accessories may be distrained and sold in pursuance of this section whether or not such barge or accessories is or are in the possession or control of the person liable to pay the tax or penalty.
