STATEMENT OF OBJECTS AND REASONS

The recent scientific inventions and developments have revolutionized the information technology and it has become necessary to keep pace with them. Though a number of institutions in the State are imparting education in information technology but it was felt necessary to have a separate University which could impart qualitative education in that field. Since it was not possible for the State Government with its limited financial resources, to establish such a University, it was decided to establish the Uttar Pradesh Maharishi University of Information Technology in private sector.

Since the State Legislature was not in session and immediate legislative action was necessary to implement the aforesaid decision, the Uttar Pradesh Maharishi University of Information Technology Ordinance, 2001 (U.P. Ordinance no. 14 of 2001) was promulgated by the Governor on August 7, 2001.

This Bill is introduced to replace the aforesaid Ordinance.
