STATEMENT OF OBJECTS AND REASONS

In order to improve the standards of Medical Education and to have uniformity in the examination pattern, Medical Education curriculum and conduct of Research activities etc., it has been proposed to bring all medical institutions under one roof. Further to enable the University to concentrate on academic matters, it has been decided to de-link the Siddartha Medical College, Vijayawada and its attached institutions from the purview of N.T.R. University of Health Sciences, and bring under the fold of Director of Medical Education on par with other teaching hospitals in the State so as to restore common seniority and other service matters and also eradicating the restlessness created among the doctors and other categories of staff of the N.T.R. University of Health Sciences.

In order to achieve the above objective it has been proposed to amend the N.T.R. University of Health Sciences Act, 1986 (Act 6 of 1986) suitably.

This Bill seeks to give effect to the above decision.
