Reasons for the enactment

This Bill seeks to amend the Bombay Land Revenue Code, 1879, as in force in the State of Gujarat, so as to give effect to certain taxation proposals announced in the budget of Gujarat for the year 1976-77. The amendments mainly relate to the making of assessments with effect from the commencement of the revenue year in which a land is permitted to be used for a purpose other than the purpose for which such land is assessed or held, or is so used without such permission, and to the levying of a tax on the conversion of land from an agricultural purpose to a non-agricultural purpose or from one non-agricultural purpose to another in certain cities and towns. The rates at which, and the cities and towns in respect of which, the above tax shall be leviable are set out in the Table below the new section 67A proposed to be included in the Act.

2. The Consultative Committee constituted under the proviso to sub-section (2) of section 3 of the Gujarat State Legislature (Delegation of Powers) Act, 1976 (44 of 1976) has been consulted before the enactment of this measure as a President's Act.

(3) (a) Where tribal transfers the possession of his occupancy to another tribal in contravention of sub-section (1), the tribal transferor or his successor in interest may, within two years of such transfer, apply to the Collector that the possession of such occupancy may be restored to him and thereupon the Collector shall, after issuing a notice to the transferee or his successor in interest, as the case may be, in the prescribed form to show cause why he should not be disentitled to retain possession of the occupancy and after holding such inquiry as he deems fit, declare that the transferee or his successor in interest shall not be disentitled to retain possession of the occupancy and that the occupancy shall be restored to the tribal transferor or his successor in interest, as the case may be, on the same terms and conditions on which the transferor held it immediately before the transfer and subject to his acceptance of the liability for payment of arrears of land revenue in respect of such occupancy in accordance with the rules made by the State Government and that the transferee or his successor in interest, as the case may be, shall be deemed to be unauthorisedly occupying the occupancy:

(5) Where an occupancy is vested in the State Government under sub-section (4) and such occupancy was assessed or held for the purposes of agriculture immediately before its transfer by the tribal transferor, the Collector shall, after taking necessary action under sections 79A and 202, give notice to the tribal transferor or his successor in interest, as the case may be, requiring him to state in writing within ninety days from the date of receipt of such notice whether he is willing to purchase the occupancy and cultivate it personally, and if such tribal transferor or his successor in-interest agrees to purchase the occupancy and undertakes to cultivate it personally, it may be granted to him on payment of the prescribed occupancy price.

(6) If within the said period of ninety days the transferor or his successor in interest does not intimate his willingness to purchase the occupancy and to cultivate it personally, or fails to pay the occupancy price within such period as may be specified by the Collector, the occupancy shall be granted to any other tribal residing in the same village or in any other village situated within such distance from the village as may be prescribed, on the same conditions, including the payment of the occupancy price, as are specified in sub-section (5), and if he is not so willing, it shall be granted to other classes of persons in such order of priority, at such occupancy price and subject to such conditions as may be prescribed.
