Fiscal management objectives.

### 3. The State Government shall-

- (a) take appropriate measures to eliminate the revenue deficit and thereafter build up adequate revenue surplus and contain the fiscal deficit at a sustainable level, and utilize such surplus for discharging the liabilities in excess of the assets or for funding capital expenditure:
- (b) pursue policies to raise non-tax revenue with due regard to cost recovery and equity; and

# HARYANA GOVT. GAZ. (EXTRA.), JULY 6 2005 (ASAR. 15, 1927 SAKA)

- (e) lay down norms for prioritisation of capital expenditure, and pursue expenditure policies that would provide impetus for economic growth, poverty reduction and improvement in human welfare.
- 4. The State Government shall be guided by the following fiscal management principles, namely:—
- management principles.
- (a) transparency in setting the fiscal policy objectives, the implementation of public policy and the publication of fiscal information so as to enable the public to scrutinise the conduct of fiscal policy and the State of public finances;
- (b) stability and predictability in fiscal policy making process and in the way fiscal policy impacts the economy;
- (c) responsibility in the management of public finances, including integrity in the budget formulation;
- (d) fairness to ensure that policy decisions of the State Government have due regard to their financial implications on future generations; and
- (e) efficiency in the design and implementation of the fiscal policy and in managing the assets and liabilities of the public sector balance sheet.
- 5. The State Government shall in each financial year lay before the House of the State Legislature, the following statements of fiscal policy along with the budget, namely:—

Fiscal policy statements to be laid before the State Legislature.

- (a) the Macroeconomic Framework Statement:
- (b) the Medium Term Fiscal Policy Statement; and
- (c) the Fiscal Policy Strategy Statement.
- 6. The macroeconomic framework statement, in such form as may be prescribed, shall contain an overview of the State economy, an analysis of growth and sectoral composition of GSDP, an assessment related to State Covernment finances and future prospects.

Macrocconomic framework statement.

7. (1) The medium term fiscal policy statement shall set forth a three-year rolling target for the prescribed fiscal indicators with clear enunciations of the underlying assumptions.

Medium term fiscal policy statement.

- (2) In particular and without prejudice to the provisions contained in sub-section (1), the medium term fiscal policy statement shall include the various assumptions behind the fiscal indicators and an assessment of sustainability relating to---
  - (i) the balance between revenue receipts and revenue expenditure;

# HARYANA GOVT. GAZ. (EXTRA.), JULY 6, 2005 (ASAR. 15, 1927 SAKA)

- (ii) the use of capital receipts including borrowing for generating productive assets; and
- (iii) the estimated yearly pension liabilities worked out on actuarial basis for the next ten years:

Provided that in case it is not possible to calculate the pension liabilities on actuarial basis during the period of first three years after the coming into force of this Act, the State Government may, during that period, estimate the pension liabilities by making forecasts on the basis of trend growth rates.

Fiscal policy strategy statement.

- 8. The fiscal policy strategy statement shall be in such form as may be prescribed and shall contain, inter alia—
  - (i) the fiscal policies of the State Government for the ensuing year relating to taxation, expenditure, borrowing and other liabilities (including borrowings by public sector undertakings and special purpose vehicle and other equivalent instruments where liability for repayment is on the State Government), lending, investments, other contingent liabilities, user charges on public goods/ utilities and description of other activities, such as guarantees and activities of public sector undertakings which have potential budgetary implications;
  - (ii) the strategic priorities of the State Government in the fiscal area for the ensuing year;
  - (iii) the key fiscal measures and the rationale for any major deviation in fiscal measures pertaining to taxation, subsidy, expenditure, borrowings and user charges on public goods/utilities; and
  - (iv) an evaluation of the current policies of the State Government via-α-vis the fiscal management principles set out in section 4, the fiscal objectives set out in the medium term fiscal policy statement in sub-section (1) of section 7 and fiscal targets set out in section 9.

Fiscal targets.

- 9. (1) The State Government may prescribe such targets as may be deemed necessary for giving effect to the fiscal management objectives.
- (2) In particular, and without prejudice to the generality of the foregoing provisions, the State Government shall—
  - (a) progressively reduce revenue deficit from the financial year 2005-2006, so as to bring it down to zero by 2008-09 and generate revenue surplus thereafter;
