STATEMENT OF OBJECTS AND REASONS

The Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964 was enacted to regulate the sale and purchase of the agricultural produce in the State. The said Act provides for the establishment of market areas and market yards. The supervision and control of market areas vest in a committee constituted under section 13 of the said Act. Some of the members of the said committee are elected under Clause (VIII) of sub-section (1) of section 13 of the said Act. Section 14 of the said Act empowers the State Government to appoint the members of the first committee. The term of the first committee is one year. The term of the members of the first committee was being extended from time to time in 1972, the Uttar Pradesh Krishi Utpadan Mandi Samitis (Alpakalik Vyawahartha) Adhiniyam, 1972 was enacted to make temporary provisions regarding administration of Mandi Samitis.

The system provided by the said Act of 1972 is still in operation and no election to constitute the market committees could be held so far. The State Government has now decided to constitute the market committees and hold the elections therefor, but before the constitution of the market committees, it has to be ensured that various sections of the society are duly represented in such committees. In order to give due representation to various sections of the society and to curb the corrupt practices in the elections of the members of such committee, it has been decided to amend the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964.

The Uttar Pradesh Krishi Utpadan Mandi (Sanshodhan) Vidheyak, 2001 is introduced accordingly.

By order,

Y. R. TRIPATHI,
Pramukh Sachiv.

STATEMENT OF OBJECTS AND REASONS

Sections 13, 13-A and 14 of the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964 (U.P. Act no. 25 of 1964) provided respectively for the constitution of Market Committees with elected and nominated members, presentation of election petitions to such authority and within such time as may be prescribed and Constitution of first Committees and new Committees. As the market Committees could not be constituted in accordance with the provisions of the said section 13, the exercise of powers, discharge of duties and performance of functions of a Market Committee, its Chairman and Vice-Chairman had been vested in the District Magistrates by the Uttar Pradesh Krishi Utpadan Mandi Samitis (Alpkalik Vyavastha) Adhiniyam, 1972. It was, therefore, decided to amend the said Act of 1964 to provide for the Constitution of Market Committees by nominating the members thereof instead of by holding the elections of such members as has been provided in other States such as Tamilnadu, Punjab, Delhi, Andhra Pradesh, Haryana and to repeal the said Act of 1972. The Uttar Pradesh Krishi Utpadan Mandi Vidhi (Sanshodhan) Adhyadesh, 2003 (U.P. Ordinance no. 14 of 2003) was promulgated by the
Governor to implement the said decision. The Provisions of the said Ordinance could not be replaced by an Act and the Ordinance was lapsed. Thereafter it was decided to repromulgate with respective effect the provisions of the said Ordinance by another Ordinance. (U.P. Act no. 11 of 2015)
[As passed by the Uttar Pradesh Legislature]

AN
ACT

further to amend the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964.

IT IS HEREBY enacted in the Sixty-sixth Year of the Republic of India as follows :-

This Act may be called the Uttar Pradesh Krishi Utpadan Mandi (Dwitiya Sanshodhan) Adhiniyam, 2015:

In section 3.7-A of the Uttar Pradesh Krishi-Utpadan Mandi Adhiniyam, 1964 for
sub-section (1) the following sub-section shall be substituted, namely :-

“(1) A market committee or its sub-committee or with the authorization by a
resolution of a committee, its Chairman, may accept from any person who has
committed or is reasonably suspected or having committed an offence
punishable under this Act in addition to the fee or other amount recoverable from
him, a sum of money equal to ten times the sum of market fee and development
cess assessed due on the equivalent agriculture produce in accordance with the
explanation given in the proviso to sub-rule (1) of rule 66' of the Uttar Pradesh
Krishi Utpadan Mandi Niyamavali, 1965 or rupees two lakh, whichever is less
by way of composition fee and compound the offence.”

STATEMENT OF OBJECTS AND REASONS

In order to encourage agriculture traders to follow prescribed rules and procedures while carrying
out their trade, it is also necessary to contain illegal and irregular practices that circumvent the fee-net and
adversely affect fair trade practices. Section 37-A of the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam,
1964 provides for composition of offences committed under the Act. At present, under this section, the
amount of composition fee that can be levied for compounding the offences is rupees twenty thousand.
Many a times, the transmitters of specified agriculture produce, in the event of lawful seizure of produce,
pay a composition fee which is often much less as compared to the value of seized specified agricultural
produce. Because of increase in prices, this has lessened the impact of financial penalty as a deterrent to
offenders. On the contrary, when the quantity and value of agriculture produce is small, there are instances
where the discretionarily imposed composition fee is often high as compared to the value of specified
agriculture produce. Consequently, a need has arisen at present to modify this provision. Therefore, in
order to aid implementation of just and effective procedure, it is hereby proposed to amend
section 37-A (1) of the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964.

The Uttar Pradesh Krishi Utpadan Mandi (Dwitiya Sanshodhan) Vidheyak, 2015 is introduced accordingly.

By order,

IT IS HEREBY enacted in the Sixty-seventh Year of the Republic of India as follows:-

1. This Act may be called the Uttar Pradesh Krishi Utpadan Mandi (Sanshodhan) Adhiniyam, 2016.

Short title
2. In section 2 of the Uttar Pradesh Krishi Upadhan Mandi Adhiniyam, 1964 hereinafter referred to as the principal Act,-

(b) in sub-section (2) for the words “two thousand rupees” the words “twenty thousand rupees” and for the words “rupees two hundred” the words “rupees two thousand” shall be substituted.
STATEMENT OF OBJECTS AND REASONS

State’s Agricultural Produce Market Committees issue Licences to their traders in their respective regions for business. In Market place, the agriculture produce brought by the farmers are purchased by the licensed traders of that particular market committee. Due to this traders of other market committees cannot participate in this process. Hence due to lack of sufficient competition there is difference in price of same produce in different Markets. If licensed traders from different market committees of the State are also enabled to participate in sale and purchase of different agricultural produces, then it will generate more competition and farmers will get more remunerative price in a transparent manner. In this process the latest technology will be used in favour of farmers. Awareness for implementation of Grading, Filtration & Cleaning of agriculture produce at farmer level will increase. This will also facilitate the integration of State marketing committees with the proposed National Agriculture Market. The above objective shall be fulfilled through the procedure of E-Auction and E-Trading for which Unified Licence would be required.

In order to encourage traders to follow prescribed rules and procedures while carrying out their trade, it is also necessary to contain illegal and irregular practices that circumvent the fee-net and adversely affect fair practices. Section 37 of the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964 provides for penalty of offences committed there under. Many a times, the transmitters of specified agriculture produce, in the event of lawful seizure of produce, pay a penalty which is often much less as compared to the value of seized specified agriculture produce. Because of increase in prices, this has reduced the impact of financial penalty as a deterrent to offenders. Consequently, a need has arisen at present to modify this provision.

It has, therefore, been decided to amend the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964 to introduce e-trading system and to enhance pecuniary penalty on persons who contravene the provisions of sections 9 and 10 of the said Act.

The Uttar Pradesh Krishi Utpadan Mandi (Sanshodhan) Vidheyak, 2016 is introduced accordingly.

\textbf{STATEMENT OF OBJECTS AND REASONS}

The Uttar Pradesh Krishi Upadhan Mandi Adhiniyam, 1964 (U.P. Act no. 25 of 1964) has been enacted to provide for the regulation of sale and purchase of agricultural produce and for the establishment, superintendence and control of markets therefor in Uttar Pradesh. For the development of agricultural marketing and to develop completely their capacities and potentialities, it is highly required that the marketing which is of link among the consumers and producers, should be multidimensional formed for the enhancement of the income of the farmers, so that the farmers could be able to sale their produce according to their own selection and conditions at their times and places. For this purpose it is necessary to make provisions for the establishment of private market yards, development of warehouses, silo and cold storages in the form of markets by declaring them as market sub-yards and the establishment of collection centres outside the market yards to be purchased directly from the produce of farmers.
Agricultural Produce Market Committees of the State issue Licences to their traders in their respective regions for business. The produce of the farmers should be purchased more and more by the traders of the State through e-trade; for this purpose it is required to ease the process of single licence so that the farmers could be able to receive more and more relevant prices for their produce as a result of comparatively more competitions.

In order to encourage agriculture traders to follow prescribed rules and procedures while carrying out their trade, it is also necessary to constrain illegal and irregular practices that circumvent the fee-net and adversely affect fair trade practices. Therefore in order to aid implementation of reasonable and effective procedure, it is required to make provision of composition fee for other punishable offence under the said Act in addition to illegal movement of specified agricultural produces.

It has therefore been decided to amend the aforesaid Act to provide more than one option of market for the sale of agricultural produce of the farmers in addition to the existing market yards, to establish private market yards, to establish special commodity market yards, to declare the warehouses, cold storages and silo as market sub-yards and to establish collection centres for the direct purchase through farmers and to make provision for the regulation of the said purpose together with providing financial autonomy to the market committees and prescribing the representation of stake holders in the committees and making effective provision of composition.

Amendment of section 19

3. In section 19 of the principal Act, in sub-section (3) for clause (xi-a), the following clause shall be substituted, namely:-

“(xi-a) financial assistance to charitable institutions approved by the Board or recognised educational institutions, subject to a maximum of four per cent of total receipts excluding money raised under clause (v) of section 17 and grants made by Government in the previous financial year.”

STATEMENT OF OBJECTS AND REASONS

The Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964 (U.P. Act no. 25 of 1964) has been enacted to provide for the regulation of sale and purchase of agricultural produce and for the establishment, superintendence and control of markets therefore in Uttar Pradesh.

With the aim of promoting new agricultural processing units, set up with the purpose of development of agricultural marketing, capacity building and exploring possibilities, and, to promote such processing units whose cost of plant and machinery is Rupees five crore or more, there is a provision of exemption of market fee partially or fully. Committees headed by Commissioners of the concerned division were recommending different rates of remission of market fee. In order to bring uniformity and transparency, it is necessary to make amendment in the Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964.

The aforesaid Act provides for a grant of 02 per cent of the total receipts of the annual income of the mandi committees to the charitable institutions, including recognized educational institutions, by the Mandi Parishad. In present context, the income of the mandi committees has increased and towards the fulfillment of social obligations of Mandi Parishad, it is necessary that 04 per cent of the total income of mandi committees instead of the present 02 per cent be spent through charitable institutions.

It has therefore been decided to amend the aforesaid Act accordingly so as to encourage the establishment of new processing units, and, to make provision of 04 per cent for charitable activities through charitable institutions in the year next following, with respect to the total receipts of the annual income of the current year.

The Uttar Pradesh Krishi Utpadan Mandi (Sanshodhan) Vidheyalc, 2020 is introduced accordingly.

STATEMENT OF OBJECTS AND REASONS

The Uttar Pradesh Krishi Utpadan Mandi Adhiniyam, 1964 (U.P. Act no. 25 of 1964) was enacted to provide for regulation of sale and purchase of agricultural produce and for the establishment, superintendence and control of markets thereof in Uttar Pradesh.

To make the market more competitive, in the interest of the farmers and in view of the guidelines of the Government of India in the purview of Covid-19 relating to the decentralization of mandi sites for stopping crowding of farmers and traders and to follow social distancing standards, certain amendments were required in the Act, for effective development of Mandi sub-sites.

Further, amendments were also required to provide for an integrated license to carry on trade in order to protect interests of consumers along with the producers by establishing a producer consumer market which would reduce the member of middlemen and get up to 100 per cent of consumer price to the producers, lastly amendments were required in the Act, to provide for inclusion of private capital which would generate additional employment.

Since the State legislature was not in session and immediate legislative action was necessary to implement the aforesaid decision, the Uttar Pradesh Krishi Utpadan Mandi (Sanskodhan) Adhyadesh, 2020 (U.P. Ordinance no. 9 of 2020) was promulgated by the Governor on May 11, 2020.

This Bill is introduced to replace the aforesaid Ordinance.

By order,
