STATEMENT OF OBJECTS AND REASONS

Water scarcity and its deteriorating quality is becoming apparent in the moisture sufficient State of Uttar Pradesh which shall get more pronounced with increasing population. Water is a basic human need and one of the most crucial elements in development planning. The planning of this limited resource has to be guided by development perceptions of the State which would inter-alia account for geographical conditions, hydrological status (surface and under ground water), water allocation priorities and other specific needs.

It is incumbent on the State to put the limited and scarce water resources in most economical, efficient and sustainable use to promote its optimal use for drinking water, agro and non-agro industries, irrigation, hydro-power, ecology, navigation and other uses as per the priorities fixed in State Water Policy from time to time. It is the duty of the State Government to monitor that the under-ground aquifers are sustained and the river water is exploited keeping in the view the ecological balance of the river systems. It is also the responsibility of the State to maintain both quality and quality of the water with suitable measures required to be taken with best of technology and management practices available in working out equitable and sustainable distribution of water. The State is also responsible to establish a water tariff system and fix criteria for water charges with a view to ensuring proper administration, operation and maintenance of water carrier systems for the use and consumption of water.

In order to ensure proper utilization of natural water resources of the State it has been decided to make a law to provide for the establishment of the Uttar Pradesh Water Management and Regulatory Commission to regulate the water resources within the State. Facilitate and ensure judicious equitable and sustainable management, allocation and optimal utilization of water resources for environmentally, economically sustainable development of the State, fix the rates for water use for agriculture, industrial, drinking, power and other purposes and cess on lands benefited by flood protection and drainage works from the owners of lands benefited through appropriate regulatory instruments according to State Water Policy.

The Uttar Pradesh Water Management and Regulatory Commission Bill, 2008 is introduced accordingly.

THE UTTAR PRADESH WATER MANAGEMENT AND REGULATORY COMMISSION (REPEAL) ACT, 2012
(U.P. ACT NO. 8 OF 2013)
[As passed by the Uttar Pradesh Legislative Assembly]
AN
ACT

to repeal the Uttar Pradesh Water Management and Regulatory Commission Act, 2008.

IT IS HEREBY enacted in the Sixty-third Year of the Republic of India as follows:

1. (1) This Act may be called the Uttar Pradesh Water Management and Regulatory Commission (Repeal) Act, 2012.

(2) It shall be deemed to have come into force on October 31, 2012.

2. The Uttar Pradesh Water Management and Regulatory Commission Act, 2008 is hereby repealed.

3. The Uttar Pradesh Water Management and Regulatory Commission (Repeal) Ordinance, 2012 is hereby repealed.

STATEMENT OF OBJECTS AND REASONS

The Uttar Pradesh Water Management and Regulatory Commission Act, 2008 (U.P. Act no. 26 of 2008), was enacted to provide for the establishment of the Uttar Pradesh Water Management and Regulatory commission to regulate water resources within the State, facilitate and ensure judicious, equitable and sustainable, management, allocation and optimal utilization of water resources for environmentally, economically, sustainable development of the State, fix the rates for water use for agriculture, industrial, drinking, power and other purposes and cess on lands benefited by flood protection and drainage works from the owners of lands benefited through appropriate regulatory instruments according to State Water Policy and matters connected therewith or incidental thereto. After the establishment of the Uttar Pradesh Water Management and Regulatory Commission it was felt that since in accordance with the conduct of business rules and the distribution of works rules made under Article 166 of the Constitution of India the executive powers of the State are vested in various department of the State Government the works being done by the said commission there remains possibility of overlapping with the works of the departments connected with water. Besides after the establishment of the said commission it was found that the commission is unable to make required progress in the fulfillment of its objects, and discharge of its functions and its work interfere the works of the other departments of the State Government. It was, therefore, decided to repeal the said Act.

Since the State Legislature was not in session and immediate legislative action was necessary, the Uttar Pradesh Water Management and Regulatory Commission (Repeal) Ordinance, 2012 (U.P. Ordinance no. 9 of 2012) was promulgated by the Governor on October 31, 2012.

This Bill is introduced to replace the aforesaid Ordinance.
