ANNEXURE II

Formula for fixation of Pay in the revised scales

[Reference para. 3 of Government Order No. 372-Edn. (CS), dated 7th April, 1975.]

The initial pay in the revised scales shall be fixed in the following manner:

I. (A) In the case of a teacher drawing basic pay up to and including Rs. 1,800 in the existing scale—

(a) An amount representing five per cent. of the basic pay, subject to a minimum of Rs. 15 and a maximum of Rs. 50, shall be added to the existing emoluments of the teacher.

Explanation I.—Existing emoluments means basic pay plus dearness pay plus dearness allowance plus interim relief, if any, sanctioned during 1st March, 1970 and 1st January, 1973 and not any other allowance.

Explanation II.—If the amount so computed includes a part of a rupee, then, if such part is fifty paise or more, it shall be increased to one complete rupee and if such part is less than fifty paise, it shall be ignored.
(b) After the existing emoluments have been increased and computed as specified in clause (a), the pay shall be fixed in the revised scale at the stage equal to the amount so computed or, if there is no such stage in the revised scale, at the stage next above the amount so computed:

Provided that—

(i) if the amount as computed under clause (a) is less than the minimum of the revised scale, the pay shall be fixed at the minimum of that scale;

(ii) if the amount as computed under clause (a) is more than the maximum of the revised scale, the pay shall be fixed at the maximum of that scale:

Provided further that except in cases where the pay is fixed at the minimum of the revised scale, if the revised emoluments as determined under this sub-rule exceed the existing emoluments by more than Rs. 100, the initial pay shall be fixed at the highest stage in the revised scale at which the revised emoluments payable do not exceed the existing emoluments by Rs. 100 and the difference, if any, between the existing emoluments plus Rs. 100 and the revised emoluments so payable shall be allowed as personal pay to be absorbed in future increases in pay.

Explanation.—Revised emoluments means the basic pay of the teacher in the revised scale.

(D) In the case of a teacher drawing basic pay exceeding Rs. 1,800 in the existing scale, the initial pay in the revised scale shall be fixed under the provisions of Fundamental Rules 22, 23 and 31 and for this purpose, his pay in the existing scale shall be deemed to include the dearness allowance, if any, drawn by him.

Note 1.—Where a teacher is holding a permanent post and is officiating in a higher post and the scales applicable to those two posts are merged into one scale, the pay shall be fixed under this sub-rule with reference to the officiating post only, provided he has continuously officiated in that post for not less than one year as on the 1st day of January, 1973 and the pay so fixed shall be treated as substantive pay. Where such teacher has not completed one year's continuous service in the higher officiating post as on the 1st of January, 1973, his pay in the revised scale shall be fixed separately with reference to his substantive pay and officiating pay in the existing scales and his pay in the revised scale fixed with reference to
officiating pay shall be treated as substantive pay in that scale either on
confirmation in the higher officiating post or after rendering service for
the period by which it fell short of one year on the 1st day of January,
1973, whichever is earlier, provided that in the latter case, it is certified by
the appointing authority that he would have continued to officiate in the
higher officiating post during this period had the revised scales not been
introduced. If, however, the appointing authority certifies that he would
have reverted to the lower post during this period, his pay in the revised
scale would, from the date on which he would have reverted, be regulated
on the basis of the pay fixed on the 1st day of January, 1973, with reference
to his substantive pay in the lower post.

Note 2.—Where the existing emoluments exceed the revised
emoluments in the case of any teacher, the difference shall be allowed as
personal pay to be absorbed in future increases in pay.

Note 3.—Where in the fixation of pay under clause (b) of paragraph
(A) or paragraph (B) the pay of a teacher drawing pay at more than
five consecutive stages in an existing scale gets bunched, that is to say,
gets fixed in the revised scale at the same stage, the pay in the revised
scale of such of these teachers who are drawing pay beyond the first five
consecutive stages in the existing scale shall be stepped up to the stage
where such bunching occurs, as under, by the grant of increments in the
revised scale in the following manner, namely:

(a) for teachers drawing pay from the 6th up to 10th stage in the
existing scale—By one increment.

(b) for teachers drawing pay from the 11th up to 15th stage in the
existing scale, if there is bunching beyond the 10th stage—By
two increments.

(c) for teachers drawing pay from the 16th up to 20th stage in the
existing scale, if there is bunching beyond the 15th stage—
By three increments.

If by stepping up of the pay as above the pay of a teacher gets fixed at
a stage in the revised scale which is higher than the stage in the revised
scale at which the pay of a teacher who was drawing pay at the next higher
stage or stages in the same existing scale is fixed, the pay of the latter shall
also be stepped up only to the extent by which it falls short of the

(Schedule I.)

Note 4.—Where in the fixation of pay under clause (b) of paragraph (A) or paragraph (B) the pay of a teacher, who in the existing scale was drawing immediately before the 1st day of January, 1973 more pay than another teacher junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior his pay shall be stepped up to the same stage in the revised scale as that of the junior.

Note 5.—Where as on the 1st day of January, 1973, a teacher is in receipt of personal pay (including ad hoc increment, if any, on account of stagnation at the maximum of the existing scale) which together with his existing emoluments exceeds the revised emoluments, then, the difference representing such excess shall be allowed to such teacher as personal pay to be absorbed in future increases in pay.

II. Date of next increment in the revised scale: The next increment of a teacher whose pay has been fixed in the revised scale in accordance with Rule I shall be granted on the date he would have drawn his increment had he continued in the existing scale:

Provided that in cases where the pay of a teacher is stepped up in terms of Note 3 to Rule I, the next increment shall be granted on the completion of qualifying service of twelve months from the date of the stepping up of the pay in the revised scale:

Provided further that, in cases other than those covered by the preceding proviso, the next increment of a teacher whose pay is fixed on the 1st day of January, 1973 at the same stage as the one fixed for another teacher junior to him in the same cadre and drawing pay at a lower stage than his in the existing scale, shall be granted on the same date as admissible to his junior, if the date of increment of the junior happens to be earlier.

Explanation.—For the purpose of this rule, increment shall be construed to mean stages in the time-scale and not necessarily actual increases in pay (that is to say, where an increment in any scale is not annual, the increment shall be construed as carrying as many stages as the number of years of service required to be rendered for earning an increment).

III. Cases of pay fixation which cannot be covered by the principles enunciated above and also those where the application of the above principles gives rise to anomalies should be referred to the Education Department (through the Director of Public Instruction in case of college teachers).
