#### STATEMENT OF OBJECTS AND REASONS.

Section 5 of the Maharashtra Municipal Corporations Act (LIX of 1949) provides for constitution of the Corporation consisting of elected as well as nominated Councillors. Clause (a) of sub-section (2) of the said section 5 provides for the proportion for specifying the number of Councillors to be elected on the basis of population of the respective Corporations.

Sub-section (4) of the said section 5 provides that, where the area of the City has been extended after the general elections, an election to provide for representation to the people of the extended area may be held as soon as practicable. The first proviso to the said sub-section (4) provides that the total number of wards in the City including the wards newly constituted for the extended area under that sub-section shall not exceed the number of electoral wards specified in the Table in clause (a) of sub-section (2). The second proviso to the said sub-section (4) provides that the population of the wards newly constituted under sub-section (4) may marginally exceed or be below the average of the other wards.

- 2. As per the then provisions which were obtaining in the Table in clause (a) of sub-section (2), for the population of above 24 lakhs, the minimum number of Councillors to be elected was 145. The said Table also provided that, for every additional population of 1 lakh above 24 lakhs, there used to be one additional councillor, subject to the maximum number of elected councillors being fixed at 221.
- 3. It had been brought to the notice of Government that, in certain cases, though the area of the Municipal Corporation was extended by inclusion of additional areas, such extended areas of the Corporation were not being represented by the elected Councillors, as the said Table provided that where the population of the Corporation exceeds 24 lakhs, there used to be one additional Councillor for population of every 1 lakh, exceeding 24 lakhs. Thus, in certain cases, such extended areas of such Corporation was to remain unrepresented.
- 4. To remove that anomaly, it was proposed to lower the prescribed quantum of population for additional Councillor, in respect of Corporations having population above 24 lakhs, and accordingly, it was also proposed to revise the minimum and maximum numbers of elected Councillors and ratio of population for increase in the number of elected Councillors of the Corporation. Such provisions would also ensure that the majority of the population of the extended areas are being represented in the Corporation. It was, therefore, proposed to amend section 5 of the Maharashtra Municipal Corporations Act, suitably.
- 5. As both Houses of the State Legislature were not in session and the Governor of Maharashtra was satisfied that circumstances existed which rendered it necessary for him to take immediate action further to amend the Maharashtra Municipal Corporations Act (LIX of 1949), for the purposes aforesaid, the Maharashtra Municipal Corporation (Amendment) Ordinance, 2016 (Mah. Ord. XII of 2016), was promulgated by the Governor of Maharashtra on the 16th June 2016.
- 6. The Bill is intended to replace the said Ordinance by an Act of the State Legislature.

Mumbai, Dated 16th July 2016. DEVENDRA FADNAVIS, Chief Minister.
