STATEMENT

Section 82 of the Maharashtra Universities Act, 1994 (Mah. XXXV of 1994) provides for permission for opening new colleges or institutions of higher learning. Sub-section (1) thereof provides that the University shall prepare a perspective plan and get the same approved by the State Council for Higher Education for Educational Development for the location of colleges and institutions of higher learning in the manner ensuring equitable distribution of facilities for Higher Education, having due regard, in particular, to the needs of unserved and under-developed areas within the jurisdiction of University.

Sub-section (4) of the said section 82 provides that such application shall be scrutinized by the Board of College and University Development and be forwarded to the State Government with the approval of Management Council on or before the first day of May of the respective year.

Sub-section (5) of the said section 82 empowers the State Government to grant permission out of the applications recommended by the university to open new institutions. The second proviso to the said sub-section (5) provides that, from the academic year 2011-2012 such permission shall be communicated to the university on or before the 15th June of year in which a college is proposed to be started. It also provides that permission received thereafter shall be given effect by the university only in the subsequent academic year.

2. The Government *vide* its Resolution dated 30th October 2010 has provided the guidelines and timeframe for scrutinizing the proposals. It is envisaged that under the Clauses 1.9 and 1.10 of the said Government Resolution provides that, the Management or applicants to be given opportunity to comply and give complete proposal by 30th November. Clauses 1.13 and 1.15 of the said Government Resolution provides for a second opportunity for appeal before Vice-Chancellor, after the field inspection by the concerned University.

3. The State Government had appointed the committee under the Chairmanship of Dr. Narendra Jadhav, a well-known educationist to prepare the guidelines for making comprehensive perspective plan for the universities. The committee has submitted the report in the month of October, 2015, which has been accepted by the State Government and all universities have been asked to prepare their comprehensive perspective plans in accordance with the criteria specified in the report of the said committee.

4. Said sub-section (3) of section 82 has been amended by the Maharashtra Universities (Second Amendment) Act, 2015 (Mah. XLIV of 2015), with a view to provide that management seeking permission to open a new college or institution of higher learning from the academic year 2016-2017, shall apply in the prescribed form to the Registrar of the University on or before the 31st December 2015.

As, in view of the said amendment the date of receiving applications/ proposals has been extended till 31st December 2015, the time available for compliance of various steps under said Government Resolution for screening and for giving an opportunity of being heard, has been curtailed.

5. The Government has received various representations from the Members of the State Legislature and the managements to extend some period in the interest of natural justice. The Government, therefore, considers it expedient to extend the period of communication of permission, from the State Government to the University to 31st July 2016, for the academic year 2016-2017 by amending said section 82, suitably.

6. As both Houses of the State Legislature are not in session and the Governor of Maharashtra is satisfied that circumstances exist which render it necessary for him to take immediate action further to amend the Maharashtra Universities Act, 1994 (Mah. XXXV of 1994), for the purposes aforesaid, this Ordinance is promulgated.
