STATEMENT OF OBJECTS AND REASONS

The Maharashtra Tenancy and Agricultural Lands Act (LXVII of 1948), the Hyderabad Tenancy and Agricultural Lands Act, 1950 (Hyd. XXI of 1950) and the Maharashtra Tenancy and Agricultural Lands (Vidarbha Region) Act (XCIX of 1958), are in operation in the State.

2. Sections 43, 50B and 57 of the above referred respective Tenancy Laws provide for restriction on transfers of land purchased or sold under the said Laws. The said sections provide that it is mandatory to pay a *nazarana* equal to forty times the land revenue assessment to the Government before selling or purchasing land for which ten years have elapsed from the date of purchase or sale of land. The said amount of *nazarana* is a meagre amount, therefore the amount so collected is negligible. The Government, therefore considers it necessary to remove the said condition by amending the said sections, suitably. The removal of this condition will streamline the process of land transfer and will make it more efficient.

3. Sections 63-IA, 47A and 89A of the above referred respective Tenancy Laws provide for sale of agricultural land without permission of the Collector for *bona-fide* industrial use or for Integrated Township Projects. The purchase of large agricultural land parcels for *bona-fide* industrial use involves procedural difficulties such as title verification, heirship determination, obtaining various statutory clearances, pending litigation, etc. This often leads to delay in putting the land for *bona-fide* industrial use which is beyond control of purchaser. Therefore, to foster an 'industry-friendly' environment in the State, it is proposed to amend the said sections to enable to grant further extension for commencing industrial use of such land.

It is also proposed to provide that, the land held by Occupants as Occupancy Class-I only shall be eligible for purchase for *bona-fide* industrial use or Integrated Township Projects, on payment of one time conversion premium as per the Maharashtra Land Revenue Code, 1966 (Mah. XLI of 1966).

Sub-sections (5) and (6) of sections 63-IA, 47A and 89A of the above referred respective Tenancy Laws provides for sale of such lands purchased for *bona-fide* industrial use or for any alternative non agricultural purpose with the permission of the Collector. In order to ensure effective and proper compliance of required conditions specified in the said sub-sections (5) and (6), it is proposed to provide by making suitable amendment that the Collector is required to obtain prior approval of the State Government before granting such permission.

4. For the above purposes, the Government of Maharashtra considers it expedient to amend the aboveresferred sections of the Maharashtra Tenancy and Agricultural Lands Act, the Hyderabad Tenancy and Agricultural Lands Act, 1950 and the Maharashtra Tenancy and Agricultural Lands (Vidarbha Region) Act, suitably.

5. The Bill seeks to achieve the above objectives.
