STATEMENT OF OBJECTS AND REASONS

The Municipal Corporation of Brihan Mumbai has adopted the system to levy property taxes on lands and buildings in Brihan Mumbai on the basis of capital value of the lands and buildings with effect from the 1st April 2010. Sub-section (1A) of section 154 of the Mumbai Municipal Corporation Act (III of 1888) provides for the determination of capital value of any building or land assessable to a property tax and sub-section (1B) of said section 154 empowers the Commissioner to frame the rules, with the approval of the Standing Committee, therefor.

2. Accordingly, the Commissioner of Municipal Corporation of Brihan Mumbai has framed the Factors and Categories of Users of Buildings or Lands (Assignment of Weightages by Multiplication) Fixation of Capital Value Rules, 2010 and the Factors and Categories of Users of Buildings or Lands (Assignment of Weightages by Multiplication) Fixation of Capital Value Rules, 2015. The said Capital Value Rules of 2010 were made by the Commissioner on the 20th March 2012 and made applicable with retrospective effect from the 1st April 2010.

3. The Bombay High Court in its judgment dated 24/04/2019 in W.P. No. 2592 of 2013 & Ors. and Supreme Court in its judgment dated 07/11/2022, in SLP (C) No. 17009 of 2019 & Ors., have held that the said Rules of 2010 shall be applicable with prospective effect and not with the retrospective effect as the said Act does not empower the Commissioner to frame the rules with retrospective effect and rules 20, 21 and 22 of the said Capital Value Rules of 2010 and 2015 are struck down being *ultra vires* to the provisions of the said Act for the reasons stated therein.

4. The property tax is the main source of revenue of the Municipal Corporation of Brihan Mumbai. In view of the said judgment of the Supreme Court, the assessment, levy, collection of property tax by the Corporation has been stalled which has resulted in huge loss of revenue of the said Corporation. Therefore, it has become difficult for the Corporation to perform effectively, its duties and responsibilities entrusted under Schedule XII of the Constitution of India and the Mumbai Municipal Corporation Act, to provide various services and amenities like healthcare, education, housing, transport, water supply, etc., and other infrastructure. Without collection of revenue, the Corporation will not be able to provide amenities to general public. Therefore, it has become necessary to prevent the huge loss of revenue of the Corporation, by suitably amending the said Act and the said rules after removing the basis of the judgments of the Bombay High Court and Supreme Court.

The Government, therefore, considers it expedient to propose a law for the following purposes, namely:—

(a) to substitute sub-sections (1A) and (1B) of section 154 of the Mumbai Municipal Corporation Act suitably, with a view to bring clarity in the said provisions for fixation of capital value of lands and buildings assessable to property tax;

(b) to empower the Commissioner to prescribe by rules, formula and any other matters for fixing capital value of any land or building assessable to property tax with prospective or retrospective effect;

(c) to re-enact the Capital Value Rules of 2010, retrospectively, with effect from 01.04.2010;

(d) to re-enact rule 21 of the Capital Value Rules, 2010 and Capital Value Rules, 2015 to levy and collect property tax under the re-enacted provisions of the said rules;

(e) to delete rules 20 and 22 of the Capital Value Rules, 2010 and Capital Value Rules, 2015 and to amend said rules suitably;

(f) to validate the actions taken by the Corporation with respect to assessment, levy, collection, etc., of property tax.

5. The Bill seeks to achieve the above objectives.
