STATEMENT OF OBJECTS AND REASONS

In pursuance of the observation and directives of Hon'ble Supreme Court in P.A. Inamdar case, State Government brought out Odisha Professional Educational Intuitions (Regulation of Admission of Fixation of Fee) Act, 2007 (OPEI Act) with a view to provide regulation in admission, fixation of fees, prohibition of capitation fee, reservation in admission and for other measures to ensure equity and excellence in professional educational institutions and for other connected matters.

Fee Structure Committee (FSC) constituted as per the provisions of the OPEI Act, 2007 recommends fee structure of all the technical / professional institutions in the State, which becomes enforceable after Government approval. Section-6 (1) (a) of the Act provides that the Vice Chancellor, BPUT shall be the chairperson of the FSC.

However, as BPUT is the affiliating University which enforces the Fee Structure of technical or professional institutions, it may not be proper for its Vice Chancellor to function as the Chairperson of the FSC. As such, it is proposed to appoint a Retd. Judge of Orissa High Court in place of Vice Chancellor, BPUT.

Further, it is felt necessary that the expression Industries Department may be replaced by SD&TE Department in the Act as the matter of technical education has been transferred from Industries Department to SD&TE Department.

Since the legislature of the State was not in session, Hon'ble Governor, in exercise of powers conferred under clause (1) of Article-213 of the Constitution of India, had been pleased to promulgate Odisha Professional Educational Institutions (Regulation of Admission and Fixation of Fee) (Amendment) Ordinance, 2020 (Odisha Ordinance No. 17of 2020) on the 28th December, 2020 which was published in the Extra Ordinary issue of Odisha Gazette on 31st December, 2020.

Hence, the State Government proposes to bring amendments to the relevant provision of the OPEI Act, 2007 to obviate the aforementioned difficulties and achieve the above objectives.

STATEMENT EXPLAINING THE CIRCUMSTANCES WHICH NECESSITATED IMMEDIATE LEGISLATION BY ORDINANCE

The Fee Structure Committee (FSC), constituted under the provisions of Section-6 of the Odisha Professional Educational Institutions (Regulation of Admission and Fixation of Fee) Act, 2007 (OPEI Act) recommends fee structure of technical / professional institutions of the State. Under Section -6 (1) of the Act. Vice Chancellor (VC), Biju Patnaik University of Technology (BPUT) is the Chairperson of FSC.

However, BPUT, being the affiliating University which enforces the Fee Structure of technical or professional institutions recommended by the FSC, it may not be proper for its V.C. to function as the Chairperson of the FSC. Hence it was decided to amend the relevant provision of OPEI Act, 2007 to appoint a retd. Judge of Hon'ble High Court as the Chairperson of the FSC

This year more than thirty new institutions and new programmes in existing institutions have opened in the State. The fee structures of all these institutions along with that of other institutions who have applied for revision of their fee structures need to be fixed immediately to enable the students to pay the just and proper fee charged by the institutions.

Since the legislature of the State was not in session, Hon'ble Governor, in exercise of powers conferred under clause (1) of Article-213 of the Constitution of India, had been pleased to promulgate Odisha Professional Educational Institutions (Regulation of Admission and Fixation of Fee) (Amendment) Ordinance, 2020 (Odisha Ordinance No. 17of 2020) on the 28th December, 2020 which was published in the Extra Ordinary issue of Odisha Gazette on
