STATEMENT OF OBJECTS AND REASONS

The Odisha Goods and Services Tax Act, 2017 was enacted with a view to make provision for levy and collection of tax on *intra-State* supply of goods or services or both by the State Government.

2. The new tax regime had faced certain difficulties like evasion of tax in evasion prone sectors like pan masala, doubts relating to time of supply of vouchers in Section 12(4) and 13(4) of OGST Act, ambiguity regarding interpretation of “Plant and Machinery” and ambiguity relating to distribution of credit of integrated tax in respect of RCM supplies etc.. In order to overcome such difficulties, it is proposed to amend the OGST Act, 2017.

3. The proposed Odisha Goods and Services Tax (Amendment) Bill, 2025, *inter alia*, provides for the following, namely:—

(i) to amend-

- (a) clause (61) of Section 2 of the Act pertaining to the definition of “Input Service Distributor” so as to explicitly provide for distribution of input tax credit by the Input Service Distributor in respect of inter-state supplies, on which tax has to be paid on reverse charge basis, by inserting reference to sub-section (3) and sub-section (4) of Section 5 of the Integrated Goods and Services Tax Act in the definition of Input Service Distributor;
- (b) sub-clause (c) of clause (69) of Section 2 of the Act by substituting the term “municipal or local fund” with the terms “municipal fund or local fund” and define the terms “local fund” and “municipal fund” so as to clarify the scope of the said terms;
- (c) to insert a new clause (116A) in Section 2 of the Act so as to define the expression “unique identification marking” to mean a mark that is unique, secure and non-removable for implementation of track and trace mechanism in the evasion prone sectors like pan masala;

(ii) to omit sub-section (4) of Section 12 and sub-section (4) of Section 13 of the Act so as to remove the provision for time of supply in respect of transaction in vouchers, the same being neither supply of goods nor supply of services;

(iii) to amend clause (d) of sub-section (5) of Section 17 of the OGST Act so as to remove any ambiguity relating to interpretation of “plant and machinery” for the purpose of availment of input tax credit in such cases. It further seeks to

insert an *Explanation* to clarify that the said amendment is made notwithstanding anything to the contrary contained in any judgment, decree or order of any court or any other Authority;

- (iv) to amend sub-sections (1) and (2) of Section 20 of the Act so as to explicitly provide for distribution of input tax credit (ITC) by the Input Service Distributor in respect of inter-State supplies on which tax has to be paid on reverse charge basis, by inserting a reference to sub-section (3) and sub-section (4) of Section 5 of the Integrated Goods and Services Tax Act, 2017 in the said sub-section;
- (v) to amend the proviso to sub-section (2) of Section 34 of the Act so as to explicitly provide for the requirement of reversal of corresponding input tax credit in respect of a credit-note, if availed, by the registered recipient, for the purpose of reduction of tax liability of the supplier in respect of the said credit note. It further seeks to remove the condition in the said proviso of not having passed the incidence of interest on supply for the purpose of reduction of tax liability of the supplier in respect of the said credit note;
- (vi) to amend sub-section (1) of Section 38 of the OGST Act to omit the expression “auto-generated” with respect to statement of input tax credit in the said sub-section. It further seeks to amend sub-section (2) of the said section by omitting the expression “auto-generated” with respect to statement of input tax credit in the said sub-section and inserting the expression “including” after the words “by the recipient” in clause (b) of said sub-section so as to make the said sub-section inclusive to cover other cases where input tax credit is not available to taxpayer under any other provisions of the Act. It further inserts a new clause (c) in the said sub-section to provide for an enabling clause to prescribe other details to be made available in statement of input tax credit;
- (vii) to amend sub-section (1) of Section 39 of the Act so as to provide for an enabling clause to prescribe conditions and restrictions for filing of return under the said sub-section;
- (viii) to substitute the proviso to sub-section (6) of Section 107 of the OGST Act to provide for the requirement of pre-deposit of ten per cent. of the penalty amount for filing an appeal before the Appellate Authority against an order which involves demand of penalty without involving any demand of tax;

- (ix) to insert a proviso to sub-section (8) of Section 112 of OGST Act to provide for the requirement of pre-deposit of ten per cent. of the penalty amount for filing an appeal before the Appellate Tribunal against an order which involves demand of penalty without involving any demand of tax;
- (x) to insert a new Section 122B in the OGST Act to provide for penal provisions for contraventions of the provisions relating to track and trace mechanism;
- (xi) to insert a new Section 148A in the OGST Act so as to provide for an enabling provision for implementation of track and trace mechanism for ensuring effective monitoring and control of supply of specified commodities; and
- (xii) to insert a new clause (aa) in paragraph 8 of Schedule III of the OGST Act to specify that the supply of goods warehoused in a Special Economic Zone or in a Free Trade Warehousing Zone to any person before clearance for exports or to the Domestic Tariff Area shall be treated neither as supply of goods nor as supply of services. It further seeks to amend the *Explanation 2* of the said Schedule to clarify that the said *Explanation* shall be applicable in respect of clause (a) of paragraph 8 of the said Schedule.
It also seeks to insert an *Explanation 3* in the said Schedule to define the expressions “Special Economic Zone”, “Free Trade Warehousing Zone” and “Domestic Tariff Area”, for the purpose of the proposed clause (aa) in paragraph 8 of said Schedule.

4. The Bill seeks to achieve the above objectives.
