The Factories Act, 1948 (Central Act No. LXIII of 1948) is in force in the State of Tripura, is considered inadequate in certain provisions to promote gender equality and more inclusion of workforce in factories for infrastructure development of the State.

2. It is considered expedient that the Act in its application to this day shall be amended to meet up the gaps as outlined in the priority areas to create more economic activities and higher productivity in the State by the Ministry of Home Affairs, Department for Promotion of Industry and Internal Trade and Niti Aayog in line with systematic Deregulation and Reduction of Compliance Burdens to establish more factories in the State for overall growth of the State.

3. Hitherto in, there is a need to revise the working hours limit etc., enhancement of overtime limits which is more favourable to the workers, allowing women to work at night in the factories to promote gender equality and other related sections viz. section 2(m)(ii), section 54, section 55, section 56, section 59, section 65, section 66 and section 85(1)(i) of the Factories Act, 1948 has become necessary to amend for economic growth of the State and to reduce the burden to attract more investment in the State.

4. To attain the above-mentioned objectives, it is proposed to amend the Factories Act, 1948 in its application to the State of Tripura by introducing the Factories (Tripura Second Amendment) Bill, 2025 (Tripura Bill No.15 of 2025).

The Bill seeks to achieve the above objects.
