STATEMENT OF OBJECTS AND REASONS.

Considering the growing need for quality as affordable Housing in the State’s housing and real estate sector and to provide a transparent and stable policy and institutional framework for protecting the interest of the buyers as well as creating an atmosphere to encourage private investment in the State’s housing and real estate sector, with an emphasis on the guiding principles of “housing for all”, it is envisaged to enact a State Law in the field of Housing Industry in place of West Bengal Building (Regulation of Promotion of Construction and Transfer by Promoters) Act, 1993.

2. Since the ‘housing’ comes under the periphery of ‘industry’, it is contemplated that the State Government should go for its own State Legislation considering the necessity and local requirements that would be befitting to the people of the State and the State Law can also be amended by the State itself without approaching the Central Government as and when the occasion arises to meet the necessity of the people of the State. Moreover, the State Legislature is competent to enact law on such subject matter under the constitutional domain.

3. This is an Act to establish the Housing Industry Regulatory Authority for regulation and promotion of the housing sector and to ensure sale of plot, apartment or building, as the case may be, or sale of real estate project, in an efficient and transparent manner and to protect the interest of consumers in the real estate sector and to establish a mechanism for speedy dispute redressal and for matters connected therewith or incidental thereto.

4. The Bill has been framed with the above objects and views.
