STATEMENT OF OBJECTS AND REASONS.

The State Government has established and incorporated 31 State-aided Universities under the administrative control of the Higher Education Department in view of raising rich quality of higher education amongst the students of the State as well as of the Country. The Hon’ble Governor of the State of West Bengal is the Chancellor of all the State-aided Universities by virtue of his post.

2. The constituting Acts of each University has provided some statutory duties and functions upon the Hon’ble Chancellor of the University. It is not out of place to mention that Hon’ble Governor holding the Constitutional post has to discharge various Constitutional functions as enshrined under the Constitution.
3. It is not out of place to mention that the Punchi Commission in its report recommended that to be able to discharge the Constitutional obligations fairly and impartially, the Governor should not be burdened with positions and powers which are not envisaged under the Constitution and which may expose the office to controversies or public criticism. Making the Governor the Chancellor of the Universities and thereby conferring powers on him which may have had some relevance historically has ceased to be so with the change of the circumstances. The Commission is also of the view that Governor should not be assigned functions casually under any Statutes. His role should be confined to the Constitutional provisions only.

4. It has therefore been considered necessary and imperative that the constituting Acts of the Universities shall be amended so that the Hon’ble Chief Minister of the State of West Bengal shall be the Chancellor of all State-aided Universities for the purposes of the said Acts.

5. The Bill has been prepared to achieve the above objective.

6. There is no financial implication involved in giving effect to the provisions of the Bill.
