OFFICE MEMORANDUM

Subject: iGOT (Integrated Govt. Online Training) courses on DIKSHA platform on COVID-19 pandemic.

It will be pertinent to take note of the fact that India's first line of workers is already engaged in COVID relief and doing commendable job. However, a larger force will be needed to replace the first line and to tackle the exponential or geometric increase in positive COVID cases in the subsequent stages of the pandemic.

3. A version of iGOT fitted to these needs has been launched with the following URL link - <https://igot.gov.in>. The platform will provide the training modules on flexitime and on site basis so that the COVID response can be delivered at scale for the workforce needed to tackle the pandemic.
